Research Advisory Committee – RAC

The primary function of RAC is to provide expertise in guiding and monitoring research activities of staff / research scholars in the campus. The main objective is to enhance research activities among faculty which includes undertaking doctoral studies, UGC research projects, projects funded by NGO/Government & publications.

The Other objectives of the Committee include:

- To disseminate information related to research activities such as UGC projects.
- To set up a research agenda for the college.
- To guide faculty and research staff on preparation of research proposals.
- To facilitate the development of industry-academia research collaborations.
- To improve the impact factor & citation index for publications.
